9 MUST-SEE ART SHOWS OPENING THIS WEEK

For three nights only -- October 13, 14 and 15, 8 p.m. daily, \$20 -- Tribeca's 3-Legged Dog Technology Center (80 Greenwich Street) presents a multi-media work called "[Circling the Center](#)" by NY-based artist Nene Humphrey. The work is described as "neuroscience meets Victorian mourning ritual" and it includes: video images of brain circuitry, metronomes, a choir, a cellist and "sounds of serenading lab rats."
